Barbara Becker Holstein, Ed.D. has been in private practice for 26 years in Long Branch, New Jersey with her husband, Russell Marc Holstein, Ph.D. She is a leading positive psychologist, having published her first book in this discipline, *THE ENCHANTED SELF, A Positive Therapy*, in 1997. She focuses on helping women be happy, and live meaningful, purposeful lives by reclaiming their talents, strengths and even lost potential.

In July, 2007, her newest positive psychology book, *The Truth, I'm Ten, I'm Smart and I Know Everything*, was released. You will fall in love with the ten year old girl in this book, who has the courage and the wits to put into writing what every woman should remember about herself, her children and the truths that really matter.
